Dear Mini-Hoppers and Parents,

I am writing to let you know that there will unfortunately be some changes at Mini-Hoppers as we go into the 2016-17 season.

As some of you already know, I have recently separated from my husband and am in the process of moving house. Once I am living alone it will sadly be impossible for me to 'juggle' a full-time job, my dogs and being in Rowley to coach at 6pm every Tuesday. Therefore, with a heavy heart, I am having to take a step back from Mini-Hoppers ☹️

Bev has recently accepted a new job that will restrict her availability at busy times of the month and so will be unable to take over from me.

The club are in the process of advertising for a new, qualified coach to lead the Tuesday sessions and both Bev and myself hope to remain involved where we can. We will keep you informed of what is happening as things progress. There may have to be a slight increase in subs to cover payment for a coach (whereas Bev & myself have always been voluntary).

Having built Mini-Hoppers from just 5 girls at my first training session in September 2012 I'm sure you can understand how difficult it has been to come to this decision. For a little while the spare time I have is going to be channelled into my playing (whilst I physically still can!) and agility with the dogs - my 4-legged 'family' have to come first. I hope that you understand and will continue to support the club as we go forward into the new season.

Best wishes,

Abi
